# How to Communicate Marine Sciences and Technology?

Bridging European Marine Information

Date: 6<sup>th</sup> November 2012

Venue: Auditório Mar da Palha,  
Oceanário de Lisboa, Lisbon, Portugal

**EuroOcean – The European Centre for Information on Marine Science and Technology  
Invites you to participate in the high level international event**

**“How to Communicate Marine Sciences and Technology? Bridging European Marine Information” on November 6<sup>th</sup>, 2012 at the Oceanário de Lisboa, Lisbon, Portugal.**

The event aims to share experiences on the best practices of communicating marine science and technology to different audiences and to share ideas on the relation between Oceans and Society. The event will end with the award of the Professor Mário Ruivo Prize “Seas and Us - Links between Ocean and Daily Life Activities Movie Contest”. The event is organised in scope of the celebration of the 10<sup>th</sup> Anniversary of EuroOcean, and will count with the participation of international high level speakers.
